**OUR REGISTERED DESIGN**

The '+++' sign on the pipes is a measurement-enabler that allows easy and accurate cutting of pipes, without the help of tapes.

The distance between the two large '+' signs is one foot.

The arrow mark on the fittings accessories serves as an alignment tool.

The colored line on the pipe must be aligned with the arrow mark.

#### TERMS & CONDITIONS:

- Combined use of Birla Aerocon's Pipes, Fittings, and Solvent is recommended
- Warranty is applicable only if Birla Aerocon Pipes & Fittings and Solvent Cements are used together
